Greer Christian Learning Center Released Time

An Interdenominational program that teaches Biblical principles during school time and is sponsored by Greer Christian Learning Center.

Conveniently located across from Greer Middle School

2 Timothy 3:16

All scripture is God breathed and is useful for teaching.

We therefore resolve that...

Greer Christian Learning Center accepts students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of any race, color, national and ethnic origin in administration of its educational policies, scholarships, loan programs, athletic and other school administered programs.

With the support of the Greer community we have our own building. This building allows students, parents, teachers, and school administrators a place to express their personal Christ-centered values in an off-campus location through RT, FCA, See You at the Pole, and other before and after school opportunities.

As a 501—C—3 Non profit organization we operate on donations alone.
